Dear Dr. Okolie,

It is my pleasure to invite you to join the Editorial Board of Journal of Career Assessment. The time commitment for this role would involve roughly one manuscript review every 30 days or approximately 10-12 reviews per year. You would also be invited to participate in an annual meeting of the Editorial Board to receive updates and discuss our strategic plan for the journal.

This is not a paid position. However, offers to join the Board do serve as an acknowledgment of contributions to the journal and vocational psychology at large. Your service as a reviewer will benefit the field and ensure the journal's commitment to publishing high quality research.

Thank you for considering this offer and I look forward to hearing from you.

Sincerely,

Patton O. Garriott
